# TRAVEL FAYRE SAVE THE DATE 11 JUNE 2025

## Cycle Maintenance Station

The Cycle Maintenance Station pump by the bus stop on St Michaels Drive, has been replaced!

There are 2 stations on Walton Hall, the other can be located at the Sports Pavilion Motorcycle Storage.

They have various tethered tools including tire levers, screwdrivers, allen keys, spanners and a pump.

#### **E Bike Lockers**

After a trial of electric bike lockers with 3-pin plugs in Geoffrey Crowther Bike Store, Estates are working on installing 6 new electric bike lockers around Walton Hall Campus. Anyone wishing to charge their e-bike battery at Walton Hall campus, please use these lockers as Electric bikes cannot be charged in any OU buildings.

Click here for more info

## The Travel Fayre is back

Save the date for this year's Travel Fayre.

Join us and local transport/travel suppliers around the MK area at Walton Hall on Wednesday 11th June, from 11am-2pm.

OU Staff/Students - keep an eye on the Travel Advice Viva Engage page over the next month, as we will provide details of attendees, discounts and promotions.

If you can't join us for the event, from the 9th June -13th June we will be bringing back our Walk, Wheel, Ride Challenge!
