Suite of resources created to support staff and students: VLE site including guidelines and videos

The collage features several key documents and a video frame:

- Virtual reality for tuition:** A page titled "Virtual reality for tuition" with a screenshot of a VR environment. It includes sections for "Frame VR licence" and "Booking your VR session".
- VR Basics Guide:** A document titled "VR Basics Guide" providing introductory information for users.
- VR Advanced Guide - for facilitators:** A detailed guide for those facilitating VR sessions, covering topics like "Recommended teaching approach" and "The VR room".
- Third person view:** A video frame showing a 3D model of a human body with internal organs, illustrating the "Third person view" of the VR environment.
